Dear NEA Colleagues:

In the past two years, we've all seen how interconnected we are. When people are unemployed and more families are financially unstable, the impact is felt throughout the community and even throughout a region as budgets tighten up everywhere.

For nearly seven decades, the NEA has taken great pride in its partnership with United Way. Even in times of economic distress, we have joined forces with others to advance the common good. As a result, we are making great strides in reaching our shared goals to improve education, health and financial stability, the building blocks for a good quality of life.

It matters most that a child grows up to be a contributing member of the world we live in. We all have a stake in that and a responsibility to do our part. Please join me in supporting the 2011 United Way Campaign. By doing so, you are helping create opportunities for a good life for all.

Sincerely,

A handwritten signature in black ink that reads "John C. Stocks".
