

LEADERSHIP 900

Leadership 900 is a new, two year effort by United Way in Waukesha County to increase the number of leadership givers to an achievable 900. This philanthropic giving goal represents the average number of leadership givers at eight other United Ways throughout the country with similar campaign revenue as our local United Way.

By partnering with United Way as a leadership giver, you become part of a much bigger solution. United Way takes on issues too big for any one organization to address alone, promising real results that make life better for all of us in Waukesha County. Together, united, we can inspire hope and create opportunities for a better tomorrow. That's what it means to LIVE UNITED.
